Pipe Nipples

We produce and inventory a wide variety of pipe nipples. We stock 1/8" thru 8", S40 thru XXH, in black & galvanized, seamless and welded Carbon Steel. Also available for immediately delivery are pipe nipples in 304/304L, 316/316L Stainless Steel, 1/8" thru 6", S40 welded & seamless, S80 seamless, S160 & XXH. Special orders for pipe nipples in Chromes, Nickel Alloys & Exotic materials can be easily filled, and all pipe nipples are permanently marked.

Swages & Bull Plugs

All of Westbrook's concentric and eccentric swages and bull plugs meet the requirements of ASME/ANSI B16.9 & MSS SP-95. Available from stock in Carbon Steel and Stainless Steel, our swage sizes range from 1/4" x 1/8" thru 8" x 2". Most reductions and schedules (S/10 through XXH), end preparations (TBE, PBE, PXT, BXT, BBE, & BXP). Bull plugs available 1/8" thru 8" in all schedules from STOCK. Also available in Chromes, Nickel Alloys & Exotics.

Forged Fittings

Distributor of Westbrook International Forged Products. A complete stocked line of A105, 2000#, 3000# & 6000# threaded forged fittings, sizes 1/8" thru 4". All forged fittings conform to ASME/ANSI B16.9 or B16.11. Solid round & hex plugs stocked in A105, 304/304L & 316/316L in most lengths, sizes 1/8" thru 2". Alloy forged fittings & specials are manufactured by Westbrook - USA.

Specials

Westbrook can also manufacture a wide range of specialty products and fittings, in all grades of material. Special orders and expedited deliveries offered on all Flanges, Weld Fittings, Forged Fittings and Piping Outlets. All manufactured, domestically, to meet your specifications. Please call for up to date pricing.

Oilfield

Tubing and Casing nipples, swages, bull plugs and couplings, with virtually every type of end connection, in all of the commonly used oilfield sizes are manufactured by Westbrook. Schedules STD - XXH, and materials, J55, K55, N80, L80 and P110, are specified by API 6A. Many of these products are available from stock to insure your continual oilfield production. Westbrook also manufactures and stocks a full line A234WPBN Cushion Tees, sizes 2" thru 6".
